Sir:

The Examiner and the undersigned conducted a telephonic interview on September 20, 2007, regarding a proposed Examiner's Amendment. In order to expedite prosecution of the application, it was agreed that the Examiner's Amendment would be entered and the application allowed; however, Applicants were not conceding that the claims amended and cancelled were not patentable over the art cited by the Examiner and further Applicants respectfully reserved the right to pursue these and other claims in one or more continuations and/or divisional patent applications.
